Importance: High

Good Day Region F,

Compliments of the New Year.

The below matter has been ongoing for a month.
As explained in the email thread below, when we received the November 2022 bill for Account 554760567 we noted that the closing reading for the electricity is corre electricity was estimated and there is no possible way for the Body Corpotate to have consumed 169,464.669 KWH is a matter of 31 days, see below screenshot for yo

Good Day Region F,

Thank you for your email.

Please note that our dispute lies with the balance brought forward on the December 2022 bill.
As previously communicated, the November 2022 bill showed R489,583.57 as a total due, this was due to an over estimation on the electricity readings which has sin
was brought forward on the December 2022 bill and incurred Interest.
In other words, the billing department was supposed to bring the account balance of the back dated period (June 2021) forward, reflect all payments made from June
correction, as per above, so we may settle the account.

Kind regards,

Zerilda Beaumont
