Dear Customer

Emfuleni customers to pay their electricity directly to Eskom

Eskom and the Emfuleni Local Municipality would like to remind and request all customers within the Emfuleni municipal area that their electricity accounts (basic and consumption charges) must be paid directly to Eskom.

Eskom and Emfuleni Local Municipality officially signed a Distribution Agency Agreement (DAA) in October 2024, formally appointing Eskom as the service delivery agent responsible for functions and services related to the municipality's electricity business.

If you have not already done so, we kindly request that you start making your electricity payments to the following account:
Bank: Rand Merchant Bank
Account Number: 50851624426
Branch Code: 223626
Reference: Your Emfuleni Account Number

After making your payment, please send your proof of payment to the following email addresses:

- elmdirectpay@eskom.co.za

For any queries or assistance, please contact the email above.

We would like to extend our gratitude to customers who have been consistently paying for their electricity and purchasing from registered legal electricity vendors. Your contributions are essential to sustaining reliable service delivery.

For those who have not yet made payments, we urge you to immediately settle any outstanding amounts and ensure ongoing payments for the electricity you consume.

Thank you for your cooperation and commitment to a better, more sustainable electricity service for all.

Yours sincerely

April Ntuli
